

## Common Double Stop Shapes

These are chord shapes and the red blobs are the root notes. Double stops are two notes played at the same time. Start by just playing the black blobs together. These shapes can all be moved to different root notes.

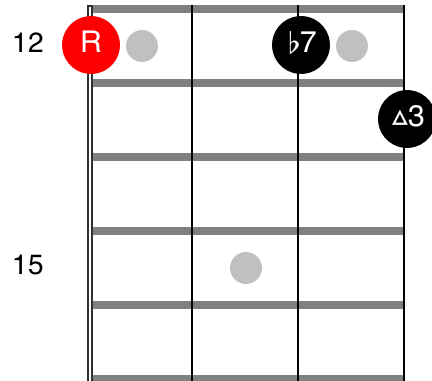

E7 - A string Root

E      A      D      G

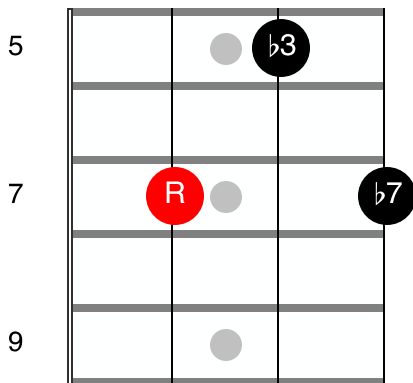

E7 - E string Root

E      A      D      G

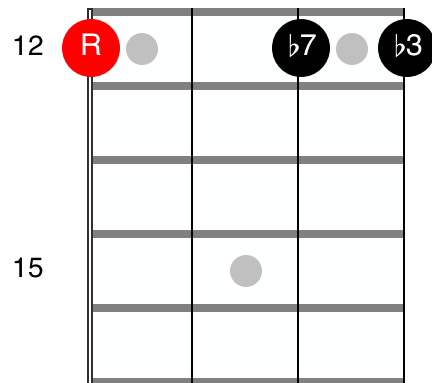

Em7 - A string Root

E      A      D      G

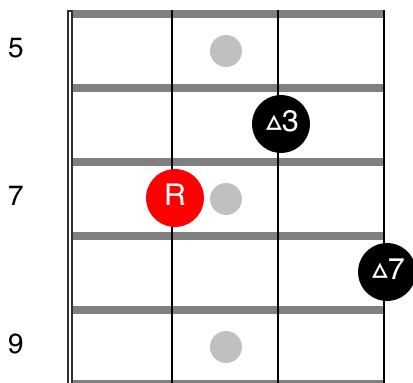

Em7 - E string Root

E      A      D      G

Emaj7 - A string Root

E      A      D      G

Emaj7 - E string Root

E      A      D      G
